PIP & JIM'S HERITAGE RESTORATION PROJECT

Celebrating the end of Phase 1

Thanks to the generosity of so many of you, intensive fundraising and grant funding, we are very pleased to report that the damage to the stonework and pointing on the Tower and Nave has now been repaired at a cost of £90,000. We have also been able to repair the porch and the vestry toilet floor.

Blessed with good weather, the work progressed well. We were all fascinated by the work of Tom Brennan and his colleagues from TrioAccess.

And some helpers!

Contact Shula if you would like to receive The Bridge by email. Please send any items for The Bridge by Thursday morning to steersheila@gmail.com
